March 5, 1951 - March 18, 2011

Robert Ronald Beichley, age 60, of Longmont Colorado, passed away on Friday, March 18, 2011. Bob was born to Glenn and Mary Beichley on March 5, 1951 in Denver Colorado. He was the 3rd of 6 children. He grew up in the Metro Denver Area. Bob graduated in 1969 from Bear Creek High school, where he was an avid wrestler. He received his teaching degree from Ft Lewis College in Durango Colorado. Shortly after that, he went to work at Henderson Mine as a minor where he worked his way up to a lead electrician. Bob and his former wife, Nancy started a foster care home and eventually adopted 6 children, and many more were treated as their own. He was a loving and devoted father who worked 2 jobs to support his growing family. He dearly loved his children and would pray for them daily. His love for Jesus started as a child and continued throughout his life. He was a gentle spirit who served God and others tirelessly. Bob volunteered his time as Minister for Christ Body, a ministry for the homeless, and began a church in Georgetown. He was involved in mission trips around the country and to Africa. His life was lived as a ministry to others. Bob lived life to the fullest! He loved the outdoors, nature, fishing, camping, backpacking, golf, horseshoes, sports, shooting pool, playing cards, and traveling. He and his brothers were always building and creating tree houses, zip lines, go karts, and eventually a pigeon loft. They raised and then developed a serious love for racing pigeons. Bob was a very creative writer and story teller. He wrote poems and always loved to write letters and make his own cards. Bob had his own unique style and language

in writing his letters. He was a beloved father, brother, friend, and follower of Christ. He is survived by his 5 children: Nick, Netty, Alyssa, Joyanna, and Stephanie; his father, Glenn; and his 5 siblings and their spouses: Bonnie Dick, Bill Trish, Doug Judy, Mary Jo Richard, and Dave Barb and his many beloved nieces and nephews. “ My thoughts go back to the Chinese elm in the Beichley's backyard, and Bob always imploring us to climb up one more branch and THEN jump. He was the bravest. It was that embracing of life that served him so well and touched everyone fortunate enough to know him

“ I was so sorry to hear of the loss in your family. I worked with Bonnie and know she comes from such love and kindness--it is hard to hear that such sorrow has pierced all of you. My sympathy for the loss of one so giving of love to all of you. May God let you feel Bob's spirit shining brighter and warmer than even before he left for heaven in your hearts. I am so sorry for all.

“ *Bobbie, Bobbie, Bobbie, Bike, Bike, Bike. You da MAN! The Mighty Man of God! The Ultimate Dread Champ! How i miss you already! How was i to know that the last time i saw you would be the last time i saw you? I am only allowed 1000 characters here, hardly enough to do justice to BIKE, who is one in a million, who is the ultimate Character. To be sure, i can not. Emily Dickinson comes to mind, let me share a few favorite lines: Ample make this bed Make this bed with awe In it wait till judgment break Excellent and Fair Bike ole bud, you had the one and only heart of GOID. i once said your heart was either soaring or plummeting. I think now that maybe there was a hurricane in your heart. Gale force love emanated from your heart, unending spirals and swirls of love and compassion and caring, lifting us all, blowing everyone you met away to a warm tropical tranquil place of peace and quiet and bliss. It is only fitting that you are now in that same place. I love you bro!*

“ To Bob's family, We are praying that God's comfort will fill your hearts during this challenging time. We remember volleyball games in the backyard and maybe even a monkey that used to live at your house. Are we making that up? Your family is so much a part of our lives. Randy and Joy

“ I met Bob through my husband, Tim Kenney, when we were all very young. Seeing that Bob was 60 felt unreal because he always had a boyish twinkle about him. Every time I ever spent around Bob was memorable. He was one of the most humorous people I have ever met, and one of the kindest. He was also an adventurous outdoorsman--I never would have seen the Wheeler formations in southern Colorado if he hadn't made us keep hiking one day long ago. I believe Bob has found the rest and peace he deserves. I will never forget him.
