“ Dorothy, Susan, and Ken, The memories of the times we've all spent together since I first meet Bob at Kodak rush through my mind like they happened yesterday. Hunting, fishing, hiking, picnic's and children now grown sitting on our laps. Please know that the entire McCarthy family, Tim, Carol, Theresa, Michael, and yes, Ann too shares the pain of your sudden and tragic loss. Know that you will all be in our prayers. Tim

“ Dorothy, heard this news from Carol Arent on Saturday and instantly thought about all the times i talked with Ed when he was the warden. He was always willing to share a story and what lake was "hot". Sherry and i will keep you in our prayers tonight.

“ Dorothy, Ken, & Susan, I am deeply saddened by the loss of your husband and father. I will cherish the many memories I have of the times I spent as a young child wondering the woods around your cabin in Red Feather. My thoughts and prayers are with you during this time of grief. God's peace & blessings to you, Theresa McCarthy
