

Robert Glenn Cramer

April 1, 1940 - April 3, 2020

Robert (Bob) Glenn Cramer, age 80, passed away April 3, 2020 from natural causes in Fort Collins, CO.

Bob was born April 1, 1940 to Arthur and Betty Cramer in Denver, CO. After high school he started his career as a Frogman in the Navy. That was the start of a HUGE love of the ocean, boating and the bright sunshine. Over the course of this career he worked for utility companies, Vermeer sales and then helped with the family business, A&BC Semi Trailer Sales and Storage. He loved being around people. He loved sharing stories and was a true people person. But, if he could sit on a boat with family and friends, it made his day.

Bob married Linda Alldredge in Fort Collins on August 7, 1982. Both loved the ocean and being on the water. Many of their adventures took them to Mexico, Lake Powell, Horsetooth Reservoir and any other body of water close by, most times in their RV. They loved fishing and often times were up at the crack of dawn to get the boat out on the lake. They also loved spending time with and spoiling their grandkids. Bob made sure they loved the water!

There were so many wonderful friends Bob made during his life. Whether it be a weekend at the lake, weekly dinners at a local restaurant, or just stopping to talk at a store, Bob was a magnet to great people. He will be greatly missed by family and friends.

He is survived by a brother Bill Cramer (Barb), stepdaughter Ronna Roberson (Daren), and two grandkids Cortnee and Conor. He was preceded in death by his parents and wife.

A celebration of life will be held sometime in the fall of 2020.

“ I met my father for the first time in 1985 and never really got to know him. I wish we could have spent more time with him. He only got to meet four of his 20 grandkids.

“ Sorry to hear about Bob. He was a special friend that I met over 25 years ago at the pharmacy. Our last conversation was a few weeks ago when I called him and said get to the store now, we have toilet paper!!!!
