“ Kathy, Terry, Laurie and families, Bob will be greatly missed by us. When we think of Colorado we think of Bob. The camping, fishing and hunting trips, the meals and visits we shared with him and Lilas. These have never been forgotten and never will be. Always kind and welcoming with never a harsh or unkind word for anyone. These are all things we will remember and cherish. Bob's name will always conjure visions of the mountains, caring and family love. Bob will be greatly missed but always live inside us along with our memories of Lilas, they are together again at last.

“ Kathy, Terry, and Laurie, I want to share a memory with you, one you may not have heard. When I was 4 and Bob was 9, we lived in the mountains. From after breakfast until dark Bob and friends and cousins explored the stream and played among the trees and rocks. I followed Bob and I'm sure he would rather have gone alone with the other boys his own age but he let me tag along. He never told me to stay at home. I was a pest but not an unkind word was ever said to me about being such a pest. On our way home after a long, full day of adventures, I became footsore and tired and could walk no more. Bob carried me on home piggyback style. I could not of had a kinder, more thoughtful, big brother. We will miss you always.

“ Dear Family: We are so sorry for your loss. Cousin Bob was very dear to our family and I will always remember childhood camping trips and picnics with him. He brightened our world and gave a bunch of rowdy cousins someone to look up to and strive to emulate. He will be missed.
