“ So sorry for your loss. I remember uncle Bob as a very strong quiet man. Although I was just about 20 years old last time I saw him. You are blessed to have him with you for such a long time.

“ Bob and Esther were some of my favorite people! We were impressed when we outgrew Esther, I think she was about 4'10, maybe?... most of us outgrew her by 4th grade or so. She loved to tell us how they met and married when they were just young teenagers. Bob and Esther loved each other always and that was apparent. Our hearts broke with his when she died, and I wasn't sure he was going to be able to go on but he did. He made it to 101 years old! He greeted people with a smile at our church for as long as I can remember but his smile always seemed a little bigger when he saw me on my trips back home to visit... he had a way of making everyone feel special. I loved looking at his pictures as he told me about his adventures. My heart is sad that he is gone but I am so happy he is with his savior and his sweetie. What a blessing he was to all of us and to this world for almost 102 years!
