“ *My deepest sympathy to Kathy, Renea, Nickie and other family members. It was my privilege to meet Bob when I returned to Fort Collins after my discharge from the army. My sweet memories are numerous. I'll always cherish the weekends we camped at Wellington's number 2 reservoir where we enjoyed blazing camp fires and Bob fire-walking across burning pallets. I also enjoyed the patriotic trombone and piano duets at the American Legion to celebrate Veterans Day in 2014 and 2015. I pray that God will provide you comfort in your loss and Bob will one day meet us at the pearly gates of heaven.*

“ *Kathy, my sincere condolences on BobbyK's passing. I recall the time JohnMac and I spent with you and BobbyK in Fort Collins a few years back. Reminiscing of times in the Navy, catching up on your lives, tipping a few, laughing, piano playing.....it seemed to have gone on forever. I am glad we shared that last time together. Our mutual interest in motorcycles, cars, airplanes was a highlight. Loved his old Sporty.*

*BobbyK and I shared many hours in the air during our stint with USN VW-4 Hurricane Hunters....our times in Spain, Africa, Gibraltar, Iceland, the Caribbean, and other places go down as memorable chapters. He will always be on my mind.
