

Robert Lopez

September 27, 1949 - March 6, 2014

It is with great sadness that we tell you that our brother, Robert Bob Lopez suffered a fatal fall in his home March 6, 2014. Bob was born September 27, 1949 to William and Delphine Lopez. He was preceded in death by his father, William. Bob is survived by his mother, Delphine; his eldest brother, William Lopez, Jr. and wife, Wendy; son, Michael; and daughter, Jennifer. He is also survived by his youngest brother, Thomas Lopez and his wife, Cathi, son Matthew, and daughter Katy. Bob was a lifetime resident of Fort Collins. He remained single all of his life. He graduated from Poudre High School 1967. He attended Colorado State University where he was a member of Sigma Nu Fraternity. Bob had retired after 25 years as a maintenance technician from Platte River Power Authority, specifically working at the Rawhide Power Facility. Bob enjoyed everything about sports. He and his numerous friends shared many moments living life through the Denver Broncos, and all high school, college, and professional sports. He held season tickets for the Broncos for 34 years. He shared many happy moments telling stories with his buddies and family. Bob had an impish smile and infectious laugh. He loved to read every newspaper or popular book available. He was a book, film, and album collector, who loved to provide his friends with photographs of their escapades together. Bob was extremely loyal to his family and friends. He had a very soft heart and his charitable ways were quiet but profound. He enjoyed being Santa Claus for the families of Platte River Power Authority during the holidays. Bob was the quintessential son, brother, uncle, and friend. There will

be a memorial service Monday, March 24, 2014 at 11:00 a.m. at the Bohlander Funeral Chapel. The family humbly requests no flowers or donations.

“ I am very sorry of your loss. Even though I haven't kept up a relationship, my memories with Bob during our Fort Collins visits were priceless. Bob gave me the courage to jump off the cliffs at Horsetooth, ask a pretty girl to dance, and hanging with Bob was Always a learning experience. Every time my Raiders played his Broncos, I thought of Bob. Bob, and brothers are like a true cousin/family to me. I thank God he included the Lopez family in my life.

As a Language Arts teacher at PHS as Kathy Wallis, I had the honor of teaching with Bill Lopez who was highly respected for his many talents. Randy was privileged to be one of Bill's students. “ My Condolences to the whole Lopez family. Bobby's laughter was a charm to be around, and I learned so much from how he treated people so well, and never had an enemy. I recall our times in Cross Country at Poudre High how Bobby would always volunteer to take my red jeep all the way to Horsetooth and Rist Canyon, so as not to have to run the course like the rest of us. And he would always laugh at the end of the course...and everyone enjoyed his laugh and his friendship. Truly will be missed. Happy Person he was....mi amigo....

“ Vaya con Dios, amigo. Life is to be lived, and "Cheech" you did that. Bill and Tom, I am forever indebted to the contributions to my life my association with Bob Bobbymade: Whether it was the opportunity to watch the "Colorado High School" all stars wrestle the Japanese all stars 1965, or the fact that Bobby and you accepted a "weird, odd" newcomer into Ft. Collins. Although I haven't seen Bobby in nearly 30 years he has always been a part of my thoughts and memories humor and no regrets.

“ It is with the heaviest of hearts that I express my deepest sympathy to the Lopez family. Chi Chi was a fraternity brother and true friend. Without a doubt the greatest sports fan I've ever known. It was only a few months ago that I received a book in the mail on the life of Earl "the Pearl" Monroe that Chi Chi had seen in the bookstore and thought I'd like. So thoughtful and giving - and so true to who he really was to all that knew him. The first holiday card that we received every year in the past decade was always from Chi Chi. And the first person I saw at my father's funeral two years ago was Robert "Chi Chi" Lopez who made the trip from Fort Collins to Denver to pay his respects. A "one-of-a-kind guy for sure.
