“ We are so sorry for your loss. You Dad was such a nice person. We met Mike and Betsy many years ago in Estes Park and became friends. When ever we came to Colorado we would see them and have dinner or drinks. We have several of Mike’s photos of spots in Rocky Mountain National Park, in our home. We had dinner with Mike in early June at the Dunraven Inn in Estes. He talked of all the things he was doing and we had such a fun evening. We were so shocked to hear of his passing. At our dinner in June he talked about missing Betsy and so now they are together. Prayers to all of you but please know your parents were wonderful people!

“ In the short time we worked together this summer, I really enjoyed your stories of Estes Park, all your tips on things to do in Colorado and your calm outlook. You were a great guy and I am thankful I got to meet you. Rest in peace friend and sending healing energy to your family during this difficult time.
