

Robert Roper

December 25, 1929 - February 9, 2011

Robert Bob Roper born in Grand Junction, Colorado on December 25, 1929, died in Fort Collins on February 9, 2011 after a long illness. As he wished, he died at home surrounded by his family. He is survived by his beloved wife, Mary and six children: Randy Roper Pam, Debra Jensen Keld, Cheryl Richards Javi Gomez, Sydney Wolf John Howell, Laura Okada Lance, and Jaial Amrit, plus 18 grandchildren and 7 great grandchildren. Bob had a rewarding career as a management consultant in the shipbuilding industry, for financial institutions and the job corps among others. He wrote proposals and management systems which he instituted in shipyards on coasts from Oregon to Maine and abroad. Bob was an avid scholar of history and philosophy and a gifted writer and speaker. He was well respected by his peers for his many contributions to industry. All will miss his brilliant mind, humor and wise council even as we treasure his written novels, essays and the beautiful poetry he left for us. There will be a celebration of life for friends and family at the Roper home in Fort Collins on Sunday, February 20, 2011 at 2:00 PM. A special thank you is due to Dr. James Darrisaw and Dr. William Lopez for their compassionate care. Memorial Contributions can be made to Pathways Hospice in care of Bohlender Funeral Chapel, 121 W. Olive, Fort Collins, Colorado 80524. We thank their staff for the kindness and the expert comfort - care that made Bob's last months the best they could be.

“ I was sad to hear about Bob's passing. I have spent time reflecting on my memories of Mr. Bob. I chuckle every time I hear the word scrod and no, I have not tried it yet. I laugh every time I think of that man peeing in the room next to us! I loved Mr. Bob's humor, kindness & compassion. I am a better person for knowing Mr. Bob! My sincere sympathy goes out to you Mary and the family.

“ We often think about Bob and Mary and the enjoyment we have derived from knowing them. Their knowledge of antique furnishings was greatly complimented by Bob's appreciation for and understanding of American history. Being in his presence was like sitting in the most enjoyable history class that one might imagine, taught by a gifted teacher with a great sense of humor. One as gifted as Bob will be deeply missed by all who knew him. We extended our deepest sympathy to Bob's family with the hope that they will forever enjoy and cherish the wisdom, humor and fun that he shared with them.
