

Robert David Trethewey

November 1, 1946 - November 27, 2022

Robert D. Trethewey was born on November 1, 1946, in Greeley, Colorado to Dr. Robert and Marge Trethewey. Rob grew up in Loveland, Colorado with his younger brother, Jack Trethewey. According to Rob's dad (fondly known as Dr. Bob or Doc), Rob was a very good kid. When Rob was young, Doc took Rob to a machine shop and left him sitting on a workbench while Doc went to get coffee with his buddies. When Doc returned several hours later, he was amazed to find Rob sitting in the same spot, just watching the machinery, eager to be the dutiful son.

Rob attended Loveland High School where he played football and basketball. After graduating from high school in 1964, Rob attended the University of Wyoming where he studied political science and was a member of the Sigma Nu fraternity. It was there Rob met Trudy Brower (Sargent) and they married in November 1968. After college, Rob became a pilot in the Air Force and went on to serve his country as a Captain in Vietnam. Rob and Trudy welcomed a daughter, Nancy, in July 1971. Rob eventually settled in Fort Collins, where he owned a construction company and worked for Leisure Time Products for more than 20 years. Rob loved his job and especially the opportunity to travel around the country as the Vice President of Sales before retiring in 2005.

Rob met his match, Marilyn Norris, in 1990 while out for drinks with friends at the County Cork in Fort Collins. After their first date at the Moot House, their fate was sealed and they got hitched in Las Vegas on September 27, 1996,

surrounded by family and close friends. Marilyn was Rob's anchor and true companion for the next 30+ years, always by his side, caring for him until the very end.

Rob and Marilyn loved to travel and took many memorable trips with their dear friends, Monte and Marian Deines. Rob also loved sports of all kinds and could often be heard (near and far) cheering on his favorite teams, the Wyoming Cowboys, the Colorado Rockies, and the Denver Broncos.

Rob and Marilyn loved to entertain and they threw many memorable parties over the years, including the Norris Family Reunion, Memorial Day BBQs, and of course, the annual Christmas party. Rob loved this time of year – elaborate light displays, Christmas Village, holiday music and movies, and most importantly, family traditions. Rob was in his element when he was telling stories in his kitchen or around the fire, as long as he had an audience. No one could tell a story like Rob. He could turn even the dullest detail into a hilarious story – thanks to his booming voice and waiving hands – causing everyone around him to hang on his every word.

Rob was a wonderful father to Nancy and uncle to his three nieces, Brooke, Jessica, and Shawna. To say Rob was thrilled when his twin granddaughters, Tate and Brynn, were born on July 1, 2008, is an understatement. Rob loved spending time with his granddaughters, teaching them how to fish, play chess and bocce ball, ride bikes, you name it. Rob's happy place was on a boat in Grand Lake with his family, anxiously watching and hoping his granddaughters would catch a fish. Of course, no one ever caught a fish, but that didn't matter to Rob. We will cherish the memories we made on that boat forever.

Rob leaves behind his loving family – his wife, Marilyn Trethewey, his daughter and son-in-law, Nancy Trethewey and David Williams of Denver, CO, his two beautiful granddaughters, Tate and Brynn, his granddog Pepper, his brother and sister-in-law, Jack and Susie Trethewey of Loveland, CO, and his nieces, Brooke Trethewey and Shawna Trethewey of Loveland, CO, and

Jessica Wiggam (Eric, Avenly, Dean, and JR) of Oak Ridge, NC. Rob also leaves behind his Aunt Jo Trethewey of Loveland, CO, and his cousins and their families, Pat Farnham and Sally Moninger of Loveland, CO, and Sue Mallot of La Junta, CO, and the Mullison family; Ed and Louise Norris of Fort Collins, CO, Dick and Michal Norris of Tucson, AZ, and the rest of the Norris family, as well as many lifelong friends.

Even though Rob left us too soon, the best way to honor his life is to keep living. Please raise a glass (preferably a moose mug) in his honor this holiday season. Rob's family is very grateful for the kind and compassionate care he received from Dignity Hospice (www.dignityco.com) and Westlake Lodge in Greeley.

Celebration of Life will be held Sunday, January 29, 2023, 3-6 pm at C.B. & Potts at Collindale Golf Course, 1441 E. Horsetooth Road, Fort Collins.

“ *I came in to the Norris Family in 1976, but didn't meet Rob until after he and Marilyn were married in 1996. My wife Shelley and Marilyn are cousins, but more than that, they are more like sisters. As mentioned before, once you met Rob, you would not, or could not ever forget him, and if you were liked by Rob, you were in for life! Rob was very much in to sports, and loved to party, and especially hosting. He was a natural at hosting, and could make you whatever drink you requested. Whenever Shelley and I would go to Colorado, both Rob and Marilyn would refuse to have us stay anywhere but with them. If Rob knew what you liked to drink, he would always make sure he could make it, or in my case, Coors Light is my go to drink, and he always made sure there were plenty in the cooler! Last, but not least, I loved Rob like the older brother I never had, and always will keep him forever close to our hearts!*

“ There will never be another Rob Trethewey. We traveled together during my years at Leisure Time Products, visiting Texas, Louisiana, Alabama, Mississippi and Florida. What a time we had. Many stories and adventures were shared upon our return from each adventure. I was lucky enough to enjoy rounds of golf with him at the Olde Golf Course in Loveland. I think the last putt on the last hole, was always the best. Time for a drink. There has never been a better, more animated story-teller....you could never hear the same story enough. Smiles and many laughs were the result. Rob and I enjoyed the very first Bronco Game at Invesco field, the night before 9-11. We were guests in the Champion's Club Level, enjoying the game with all the former Bronco Players and Coaches. It was a special evening, with a very special friend. Thank you for being my friend and for all the side splitting laughs and adventures. Scott Criswell
