“ *Robbie lived two farms down from ours. He was like an irritating little brother; but sweet as well. You will be so missed. I pray that the heavenly angels wrap their loving arms around your family to give them peace, comfort and understanding 🙏. God's speed buddy.*

“ To the Winick Family, I Offer Our Condolences, I still remember the time we were Snowmobiling and Rob ran into a Tree and broke a Rib, And kept on going the rest of the day, he had to be Hurting, but didn't want to ruin the day complaining about it! Harold & Sharon Waag

“ Our best man in our wedding 48 years ago, and still a best friend. Here we were just planning our Texas trip. Had such a nice time Saturday night and in an instant it all changes. We have so many memories from our Taco Bell runs to great parties at our house in Carbondale to sitting on our back porch just sharing dreams. We will miss you, brother! You were a brother to both of us. Michelle, Megan and Steve: we are here for you whatever we can do for support.

Rob I will always remember you giving a hug at the Grill. I remember going up to the lake and you trying to get Jeff up on one ski which never happened but it was fun. Girls and Steve we are here for.
