

## Roger Alan Swier

July 29, 1948 - July 28, 2023

Roger Alan Swier passed away peacefully at his home in Loveland, Colorado on July 28, 2023. Roger was born on July 29, 1948 to William and Dorothy (Fase) Swier. He had a love of people and made it his life's mission to help others succeed. Roger volunteered his time as a youth mentor, worked to help recent immigrants earn their nursing credentials, and partnered with communities in Malawi, Africa to build wells and support local schools.

Roger preferred to live a simple life. He spent most of his time and money helping others. He helped an orphanage in Malawi, Africa build a school, provided blankets for the families, book for students, and helped fulfill many of the other needs they had. When he was not able to go back to Malawi, he started a certified nursing assistant school in the Denver, Colorado area for legal immigrants to learn a skill so they could get jobs. He helped people every place he lived--mentored youth, helped neighbors complete applications and forms they found difficult, and many other daily acts of service to others. Roger a a good listener, loved doing research and was loved by everyone he met. He will be greatly missed.

He was preceded in death by his parents and is survived by his sisters Connie Longcore and Barbara (Curtis) Talley of Grand Haven and brother William Swier of San Jose, CA. He is also survived by his nieces and nephews and many friends. No services are planned at this time.

“ I did not know Roger well, but he was the brother of my sister-in-law, Connie Longcore who related to me what his mission seemed to be in life. That mission it seems was to help others in need, both near and far, and evidently he was extremely successful in making a welcome difference in the lives of others. With admiration we are thankful for the generosity of his time and resources that he gave so freely to the benefit of others. With sincere condolences to family and friends who knew him and loved him we wish him peace and you good memories for you of your loved one.

*I met Roger 27 years ago in Malawi where his goal was to make a difference in the lives of so many Malawians. I was present present when Roger drilled a well in one of the local churches in Malawi United Methodist Church. What a wonderful human being Roger was. Many Malawians will not forget his generosity and willingness to make things right at all times. May his soul rest in Divine Peace. Rev. Dr. Blessings Magomero, USA.*

*Roger was a kind and encouraging mentor. He helped me, as a young new mother with her GED complete my CNA training. Now as an RN, I wish I could speak with him about his life of service. I will remember his kind and supportive presence.*
