“ After a terrible divorce, Ron would always hand me a gift card for Christmas. It was for me to take my young son to the movie theater. It meant so much to me that he took interest in my time with my son. He must have been a wonderful father and husband. He was a genuine friend to me.

Ron,

Go see my sister, Darby. She'll tell you what you meant to me and Drew.

I'll catch up with you later, my dear friend.
