“ Just saw her passing notice in the Montclair U magazine. We were college classmates, same major at MSC. also good friends, often at her family home in Totowa to share Country Club ice cream, where her Dad worked at the time. We sure had some good times together those years. Sad to read she has passed away.

“ I worked with Rose Mary for 10 years as a fellow 4-H Agent in a neighboring County. I remember her as a quiet and kind person who was always positive. She set a great example for those of us who followed in her footsteps. Carol Ward

“*Rosemary is a dear friend of mine, even if now it is in spirit. I have a painting of hers on the wall in my bathroom. She painted it of lilies in my yard and gave it to me. I have cherished it ever since. We were good neighbors and friends living in the Deer Run mobile home park in Lake Delton, WI. Rosemary was instrumental in my husband and me moving to Wisconsin to have seven years of a great spiritual opportunity to study Course in Miracles under the Master Teacher. We are forever grateful for her time in our lives. Today's ACiM lesson is her favorite and was on a sign in front of her mobile home that Dan made for her, "Forgiveness is the key to Happiness" WB121. Rosemary and I shared an interest in ice skating shows and traveled to Colorado Springs from Wisconsin to see a performance there. I was fortunate enough to visit her at her apartment in Fort Collins three years ago and we had a wonderful visit then. She will remain in my memories for all time to come. I announced her transition at our Course in Miracles group in Sedona where there were eight of us there who have moved here from Wisconsin. Thank you Regina and Ron for sharing your mother with us.*
