“ *Marlys and family, we are so sorry to hear about your great loss. I have many fond memories of Roy during the time we worked together at the Lake Union Conference. He was a great friend who you could confide in and know that he had a caring heart.*

Our most recent fond memories were in the fall of 2010 when my wife Jeannie, sister Sue, and I spend a Sabbath with Roy and Marlys at their home and then they took us up to Rocky Mountain National Park on Sunday. That was a wonderful, clear autumn day for site seeing. Roy and Marlys were determined that we were going to find some elk, but all the favorite spots found nothing. Then the last resort was worth the wait. We found a large male elk circling his 40-45 females and bugling a warning to the two lonely males elks just across a ridge. We were quite close, so many great pictures were taken.

Thank you, Marlys for that wonderful experience. We hope you will keep in touch with the traditional Christmas letters. May God be your strength during the days ahead.

Your friends from Michigan,

Lance & Jeannie Mack
