“ Aunt Hannah, Larry, Don, Kathy and families: We are of course much grieved by the loss of Uncle Ruben. We have been thinking of all of you these last several days, and will always miss him at the Mai and Becker gatherings. He is one of a kind, and it just won't seem right without him. It gives us great hope however to realize that our loss in this life will be replaced by tremendous joy in the next, and we are looking forward to that great reunion! Our love to all,

“ Don, Kathy and Hannah: I wanted to let you know how sorry I was to see that Ruben has left us. I have many very good memories of your Dad, Don. He was always someone who was willing to listen, so accepting, and full of grace. He was a character and yet full of character. I will miss his funeral, which I really wanted to be at. I am leading a missions trip and am leaving for Peru, Sunday. I have so respected Ruben and Hannah over the years and remember years ago going out with them and the Neilsen's for donuts on Sunday. He loved baseball and the Detroit Tigers. I will miss running into him at the grocery store. Don I would welcome the opportunity of meeting you for coffee sometime soon. I just saw Rod N. a few months ago. Time flies and life teaches us a lot about humility and loving others. Please accept my heartfelt condolence at your loss. I will be uplifting you as you adjust to life without this dear man. My Love, Stan
