“ Ruth left this earth too soon, before we were ready to say goodbye, but little by little, we will begin to remember not just that she died, but that she LIVED. Having her as a friend gave me memories I will always cherish. Her love and laughter will leave an indelible imprint in our memories.

“ Randy and Family, I was saddened to hear about Ruthie. She was positive and up, and always had a smile for those around her. It was a pleasure to have both of you come out and support "The Combo", and I will always remember Ruthie wanting to hear "Pink Cadillac". May comfort fill your hearts with fond memories of Ruthie! “ *Randy and Family, Memories of Ruthie will last forever! What wonderful times we had in Vegas, Estes and the many weekends that we spent together on the different projects at our homes. I will always remember Ruthie and Tim fighting over the cinnamon roll frosting every weekend. "Knothead" and "Numbscull" are together again to take care of each other in Heaven. I cannot believe that she is gone from the world that we know, but she will live forever in our hearts, minds, and souls. My heart is with you all. Jodi & Jim McCarthy Eric & Quintin Maag*

“ Ruthie could always put a smile on your face. She always treated Ray's friends like they were one of her own. She gave the best hugs and had an infectious laugh. I'm gonna miss that curly haired lady but I know one granddaughter that inherited her funny bone! Ray, Dennis, Tracy, and Trenton: you are always in our hearts. Even now that you live farther away then we would like, you are still very important to use and will always hold a place in our family. Randy: The love that you and Ruthie shared provided lessons for all of us. Thank you for sharing your marriage and Ruthie with all of us.

“I could not have had a more memorable experience with a cubical buddy at FRBS. Every day brought new laughs and fascinating conversations. Her stories about the "Old People" across the street, and their practical joke wars, made me wonder which one of us belonged in college. However, it now proves to me that she lived every day to its fullest, and she never grew old. Even with all the jokes and laughs we had, nothing made her smile like when she spoke about her grandchildren. My heart goes out to Randy and the family. She will be soulfully missed and forever admired. God Bless you Ruthie.
