“ Ryan was like the little brother I never had. I have so many fond memories playing baseball or catch with him when younger, hours of video games with his older brother Todd, and of course all the usual fun (and not always safe) things young boys do.

We kept in touch as we both got older and I loved his yearly calendar of amazing photos as well as his text messages showing his newest (and totally epic) lego builds.

Ryan was a true ambassador for MDA and many other causes for people with disabilities.

I am blessed to have known Ryan and have been touched by his gentle, kind, and loving spirit. I pray he is running from cloud to cloud, playing a pick-up-game of baseball at this very moment in heaven.

Blessings and prayers to the Meisinger family.
