“ My name is Pat and I was friends with both Sammy and Andy back in the 90's. I used to work with Sammy at Spring Creek Nursing Home, we became good friends. I'm just finding this out about Sammy and I'm truly sorry for his death. Sammy showed me all over the northern front range mountains, many good times. Sammy was a good guy. Mike if you read this we probably met once or twice, I came to a few family dinners/barbq's at your moms place off of overland or maybe taft hill. I'm very sorry for your loss. If possible I'd like to get a note to your brother Andy, try and look me up. He'll know who I am. I reside in Longmont. Again I'm very sorry for the death of Sammy. RIP Brother.

“ To all of the family, I was so saddened when I heard about the accident that happened just down the road from us. Our hearts ache with you, as we know the pain of losing a husband and a son. My heart was deeply moved with compassion and grief when I read the obituary. We know how difficult it is to lose someone you love so much. May you find God's grace to carry you through, He is faithful. We love and care deeply.
