

Samuel Hunter Wood

January 1, 1990 - June 10, 2021

Samuel Hunter Wood, age 31, formerly of Madison, CT passed away tragically on June 10, 2021. Sam was born on January 1, 1990 in Pittsburgh, PA and therefore became an avid Steelers fan. Having recently moved to Colorado, he was looking into career opportunities in the state and was excited about the upcoming summer in Fort Collins, CO.

Sam will be remembered for his kind personality, quick wit and contagious laughter. Everyone loved his wry and spontaneous comments as well as his open heart. He was always willing to help a friend in need.

Sam loved the outdoors, fishing, camping and being with friends and family enjoying the simple pleasures life had to offer. He will be greatly missed by all who loved him. His last great act here with us was helping to save his dad's life by driving him across the country to Colorado to be surrounded by family and receive treatment as he battled an aggressive form of cancer.

Sam is survived by his father, Pete Wood, sister Meg Wood and her wife Cary Wood of Fort Collins, CO and his mother Trudy Wood of Guilford, CT along with numerous aunts, uncles and cousins. He is preceded by his maternal and paternal grandparents.

A funeral service will be held on Saturday, June 26th, at 11:00 AM at the

“ *Sam always did have a smile that seemed like he knew something more than the others in the room and it was worth smiling about. Quick witted and kind, he was family. I am reminded of a trip to Nags Head. Sam seemed very much at home with a fishing rod in his hand and half a day or night on the peer. He really did have quite a knack for catching those fish. We will miss him.*

“ Sam, we had some great times in high school that I will always cherish. I will always remember your smile and laugh and how every-time you were around was a great time filled with laughter. Of all the memories of knowing you since kindergarten one in particular I kept coming back to. I cant remember the exact year but we were both on the Mariners(Little League). The pitch got past the catcher and you ran so hard and stole second base. The place went nuts. A truly inspiring moment I will never forget. You will be missed greatly. Rest easy my friend.
