“ *Bob/Dee Dee and family,*

*My condolences I was shocked to hear of your Mothers sudden passing. I was out of town when she came to Milwaukee recently, a missed opportunity for a last visit with my sister.*

*But I will always remember the good times Ken and I had with her and you kids, cooking and just hanging out watching movies, or enjoying Western Days.*

*May you have comfort in that she is at peace now and with all of our other love ones that have passed away, your Brother Michael, Uncle Larry, Gamma & Grampa Bananch and our Dad*

*I will keep you all in my prayers,*

*Love Aunt Lynn*
