“ *Sandy will always be remembered for her love of cooking, recipes and sharing it all with her family and friends. She was happiest with a dog on her lap and always sharing new ideas that would make our lives better. Our friendship of 40 years has gone by way to fast. I know there are many doggie paws waiting to welcome her home. We will miss you! Thank you Larry for being an incredible partner and caregiver over the last 28 years to Sandy. You always made her feel safe. Love, Steve and Brenda*
