

Scott Bradley Devlin

June 22, 1981 - October 11, 2022

Scott Devlin passed away at his home in Greeley, Colorado. He was 41 years old. He was born and raised in Fort Collins, Colorado. He was currently employed by Pet Dine.

Growing up he played soccer, basketball and baseball. Later he liked to skateboard and snowboard. His main passion was golf. As soon as the courses opened in spring, until they closed in the fall, you would find him there. Scott was an avid sports enthusiast and was a lifelong fan of the Denver Broncos. Scott also had a love for dogs, especially dachshunds. Mudd or Bacon were always found at his side.

He spent many summers at his Uncle Butch and Aunt Gingers participating in 4-H with his brother and cousins.

He loved being around family and friends. Especially time spent with his nephews (Gavin & Tyson) and niece (Payton). If you were lucky enough you could catch a ride with Scott feeling the bass of his favorite song and then laughing about a movie you could all quote together.

Scott is survived by his mother, Kandess Devlin; father, Patrick Devlin; brother and his spouse, Bryan and Jill Devlin; nephews, Gavin Devlin and Tyson Devlin; niece, Payton Devlin; several Uncles, Aunts, and cousins.

He will be greatly missed.

A celebration of Scott's life will be held 10 am, Saturday, October 22, 2022 at Bohlander Funeral Chapel.

If you would like to make a donation in Scott's memory, please consider giving to Mile High Dachshunds Rescue to help support his love of dachshunds.

“ I worked at Petdine with Scott for a little over a year but it wasn't until Scott got me into golf (imagine that) that I really got to know him. He had a lot of tips to make my game better but the best tip he gave me was to use your push cart break and keep it out of the wind or it might go into a creek. Yep that happened to him. I am very thankful for the time that I spent with him.
Scooter I miss you! Set a tee time for us and I'll see you there.

“Wow, beyond sad, you were taken too early for all of us! Scot was so funny growing up, his face just lit up every moment and the hilarious moments became more hysterical as he'd be so engaged living in the moment you couldn't help but laugh harder! We shared many memories growing up, your mom would take us 4 to Denver in the summers for Casa Bonita, The Mint, Downtown...and football season hanging in your basement while our parents watched the games! Your spirit was full of life and I only wish we would of stayed in touch as we grew older! Your smile, laugh, mischievous giggle, huge heart, and spirit is and will be missed beyond words Scot! I cherish these memories and thank God he placed you in my life on earth! Forever loving you ❤️ Stacy Murphy (Bryant)
