“ *We cherish the memories of all those years at the Hickory House with the Qwest crew. We really got to know Scotty later "on the road". Truly one of the good guys. He will be missed.*

“ *My sincerest condolences to Scotts family. I knew Scott for many years, I was a dispatcher Qwest in Ft Collins. He was always quick with a joke and hearty laugh. He worked hard and played harder. As a fellow motorcycle rider, his accident hits real close to home. Let it remind all of us how short and precious this one life we have can be. Love, laugh and live to the fullest every day. Scott, I will see you again, rolling down the road with the wind in your hair. Be Blessed.*

“Wow!!!! I was so shocked to hear of Scott's passing. I truly enjoyed working with Scott, and remember many laughs that we shared. A favorite saying that I have says "Perhaps the stars are windows that our loved ones can watch over us".

“I was deeply sadden to hear of Scott's passing, I remember when Scott first came into the business office, he struggled a little as we all did but he really became a good rep. Then when I came outside he was one I could go and ask dumb questions to and he would answer the questions and if he had the time he would help me. Please except my condolences, Scott will be sorely missed.

“ We were very saddened to hear about Scott. Diane and myself will always remember Scott's great sense of humor and he always had a smile. I meet Scott and Mark in the mid 1970's but really got to know Scott at Specialty auto body at the after work club. Scott and myself seem to show up about the same time and always had a couple of beers. I will never forget those days and the great times that we had. Scott will never be forgotten! Our condolences to the family. Love and Peace

“ "Scotty has left the building and there will be no encore." Knew Scotty for a good many years and in that time I came to realize that there were definitely two sides to the man, the work side in which he was capable of expressing himself in the most colorful terms, most entertaining. And then there was the after work Scotty that always conducted himself in a gentlemanly manner but was still opinionated if you dare to cross that line. the trips we had to Las Vegas were some of the best, great times. I will miss you. John Goswick

“ Scott was our friend, co-worker, and hunting buddy for many years. Through the years hunting, we got to see the softer side of Scott. He shared private thoughts and yet told stories that would have you rolling on the ground. He was a pleasure to be around because no matter what life threw at him, he could always find something to laugh about to raise your spirits. It is hard to understand why the Lord took Scott so soon. May Scott's Family start the healing process through our prayers. We will miss you Dear Friend.

“ I worked with Scott for many years and will miss him. We always had good times together and he always found a way to make the best out of the bad times. I wish we could have had a few more trips to Vegas together, but I will always remeber the trips we took as some of my best.

“ I worked with Scotty for many years. He was kind, unselfish, had a wonderful sense of humor, was opinionated, hot-headed, hardworking and probably one of the nicest guys you'll ever know. He loved his mother and family very much and shared his childhood memories often at work. He had a great love for his children and granddaughter. He was very proud of all of you and loved you so much. I loved Scotty and will miss him dearly, but will see him again, one day. God Bless you and keep you until then, my good friend Scott.
