“ So sorry to hear of Sharon's passing. She was my next door neighbor for many years. Yes, she had FROGS, frogs and more frogs. They were a passion with her. I can't see a frog anywhere but what I remember her. Her smiling face as a WalMart greeter was always a welcoming sight. We will miss you Sharon. God Bless!

“ *Every year I scoured around for a unique, fun frog! I worked with Sharon and enjoyed her a lot. Just before she left Ft. Collins for "the big sky" we celebrated her with a fun frog cake. A first for our baker and probably the last. Not because he did a bad job but because how many people collect frogs.*

The family had a very special mom in this lady .

“ *I remember Sharon as one of the real nice "kids" who transferred in from Timnath. She was a very nice lady and always seemed to have a smile on her face. It is always sad when we lose one of our Classmates. I wanted to share this memory with Jerry and her 3 children. I won't be able to make the service on the 30th, but I will share in your sadness and in your very happy memories of Your Wife & Mom. This is a very nice picture of her.*
