Sharron even though we didn't spend much time together over the years I always felt there was a bond between you and Michael and us. Maybe because 10 years ago we shared a beautiful wedding for our daughter and her husband Taylor the son of Michael and your Step-Son and then 7 years later the birth of there first child Jordyn Taylor we all shared that moment at the hospital. Every time I saw you you always had a smile on your face even when I knew you didn't feel good! Sharron I will always remember you as a very friendly, loving and caring person. Now you are at peace and no more pain and suffering. RIP my friend until we meet again. God Bless You!

“ I can't imagine where I can begin... Before I met Sharron I felt like I already knew her as Mike spoke all the time about what an amazing , loving, and incredible big sister had. Sharron was so incredibly kind to me when I first met her in 1989. She welcomed me with open arms and made feel part of the family right away. I have so many wonderful memories of all the times we spent together. Football games, ski trips, trips to Las Vegas, girls trips to Denver, Lake McConaughey, weddings, babies (the greatest gift Sharron have me was allowing me to be there when she gave birth to her beautiful daughter Jaylee), all the hundreds of good times at the house in LaPorte, dancing, swimming, concerts, selling glow lights, parties, hot tubbing with the kids in the back yard, going to the kids games and watching them grow up. Sharron had an incredible sense of style. She was the most loving and supportive sister I have ever seen. Her protectiveness and love for her family was an incredible thing to be part of. I cannot tell you how my heart hurts when I know she's not here anymore. Ed, Pat, Michael, Jaylee, Mike, Georgiana, Steve, Tammy, and Tracy I wish you peace and comfort during there's unimaginable times. I love you all and feel very blessed that Sharon was part of my life. Kim

“ I am so sorry that I have lost touch with Sharron and Georgian over the years. We played some great softball together on the RC cola team and Poudre Valley Air team in the '80's. The food that Mrs. Taylor would feed us when we played softball tournaments at Rolland Moore. Parties at the Buckskin heights house in the swimming pool. Parties at Trent and Georgian house on Countryside Drive. Sharron's bachelorette party when the stripper came to Kris Newmans house. Hanging out at the house that Kris and Sharron rented together on Overland Trail. Sharron the Pom Pom girl at Poudre High school in the '70's. Smile when thinking of the memories I have shared. Life is short and ends without answers. Sharron is on her next adventure.
