“ *Shawn was one of the first friends I made in high school. We met and became friends almost instantly. I'm sad that we didn't hang out as much later in life but anytime I was able to visit we always picked right back up where we left off. He will be sorely missed. My condolences go out to everyone. I sincerely hope we meet again on the other side.*

“ I became friends with Shawn 24 years ago at New Vista High School, we met there in Boulder, CO. There i also our group of friends Zack, Alex and Derrick. I have fun memories of eating pizza and watching movies, laughing and spending the night at his house in Superior, CO.

We were still friends from our high school days into our 20's and 30's. One of the last times i had seen him we chilled out and played pool at a bar talked for a few hours and hung out some time in 2017. And I visited him at his apartment in boulder, in 2022. I knocked on his door. He greeted me with a smile and warm hug. We played video games in his living room. We caught up for a bit and then I left.

Shawn was always a good friend, a loyal buddy that I will miss. Yet I have a lifetime of memories with him to look back on. My prayers go out to his friends and family.

Rest in peace in my heaven my old friend-
