“ I’ve known Shirley for so many years that I don’t remember where we met. But once a friend with her — ALWAYS a friend. We played a lot of golf together. In fact, when I finally joined the City Park 9 Ladies Association, it was Shirley that greeted me and made me feel so welcome. Since we were both from Sterling, CO, we went to the joint class reunions together. I was so glad to have her as my companion on several of these reunions as we had so much fun. We also played a lot of bridge together. Since Red and my husband, Ken, both belonged to the Elk’s Club, we would see them regularly at the many fun events there. I am so glad that I had such a wonderful friend as Shirley and I will miss her so much.

“ Aunt Shirley is one of the kindest, loving and most special person I came to know. Sadly, because our families were blessed with so many members, we all have drifted apart as these years passed by so quickly, but Aunt Shirley always made a point to keep in touch somehow. Aunt Shirley was my God Mother and I am lucky enough to share her middle name, and because of that, she will be forever in my thoughts. My heart and prayers go out to her (and our) family. I feel blessed that I was related to such a wonderful woman.  
Love to all💕
