

Sierra Linn Brewster

September 3, 2009 - July 14, 2011

Sierra Linn Brewster, 22 months, of Wellington, CO, was granted her angel wings on July 14, 2011. Sierra was born in Fort Collins, CO, on September 03, 2009 to Brian and Keri Brewster. Born a micro-preemie, Sierra weighed only 1 pound 4 ounces. During her brief existence, this tiny bundle of joy courageously fought many of the conditions associated with premature birth, including chronic lung disease. Sierra's life would seem too short to many, but for those who were touched by her understood the quality of existence far exceeds the quality of time in which you live it. Through it all she somehow found a way to show her joy with an amazing smile. Sierra was able to bestow upon the world the profound lessons she was sent here to share, and she did so without ever speaking a word. She conveyed her message through her strength during pain and suffering, her determination to survive and continuing eagerness to learn about the world around her. Her voice and thoughts could always be 'herd' simply by watching her incredibly expressive face. Although Sierra's illness made her appear fragile, she demonstrated perseverance and the ability to overcome incredible odds and physical challenges. With her courage, she led those around her to understanding that each day is a blessing and an opportunity to create lasting memories.

Sierra enjoyed music, watching movies – Cinderella being her favorite – and especially play time with her big brother, Blake! She found great comfort in the arms of her Mother and Father as she was rocked many hours on end. Her final days were spent surrounded by family members and friends that Sierra

had touched in so many profound ways throughout her short, yet very memorable life. We will never know the magnitude of lives that were touched, but we do know that all who knew her were extremely blessed.

Sierra leaves behind many caregivers who provided love and support, thus enhancing her quality of life. All of these people, too numerous to mention, provided Sierra with compassion and dignity in life. Although Sierra's days were few in number, she made her mark on the world and her memory will live on. It was an extreme privilege for Brian and Keri to be Sierra's parents.

Sierra is survived by her loving parents, Brian and Keri Brewster; brother Blake Brewster; Grandparents, Norman and Pamela Forristall and Van and Peggy Brewster; Great-Grandparents, Roy and Marilyn Cole; Great-Grandmother, Dorothy Brewster; Aunts and Uncles; Cousins and many other extended family.

A funeral service will be held 2:00 p.m., Tuesday at Faith Evangelical Free Church, 3920 S. Shields. Interment will follow at Grandview Cemetery. Those who desire may view Sierra 9 a.m. – 4 p.m., Monday at Bohlender Funeral Chapel.

Contributions may be made to the Aurora Children's Hospital, in care of Bohlender Funeral Chapel, 121 W. Olive, Ft. Collins, CO 80524.

“ *The greatest blessings are in the moments we have and cherish, not in what we missed. Sierra blessed so many far beyond those who met her in person and will continue in our hearts forever more. We pray the comfort that comes from above and surpasses our understanding will continue to surround all of you in this time of passing; and that you will be able to celebrate this precious life today and forever more. Until we meet with Sierra in Heavenly places, we take comfort in knowing she is fully healed and in the Fathers arms. Love you all! Sherry and the rest of the family*

“ *Our hearts go out to your family on this difficult day. We had been praying all along for a miracle for Sierra and as it turns out, SHE was the miracle. What a blessing to watch her overcome so many obstacles and touch so many lives. She brought so many together in life and in prayer. May God bless those connections and bring peace to the people who surrounded this precious baby while she was on this earth. The Glory of God be with you.*

“ Keri, Brian and Blake and all the extended family and friends of little Miss Sierra: We were so very blessed and privileged to have been able to meet Sierra about 3 months ago and follow her journey. Like someone said above, we, too, prayed for a miracle and in deed she was the Miracle! What spunk and what a sense of humor that little girl had, and....what a smile! She did have such a cheery nature about her...I feel so privileged to have known her. I can just feel the abundance of love that radiated around her and that she gave to those who knew her....and those who just knew of her. Keri and Brian, she picked the best of parents to have! We have had to learn to not question God...He had a plan for her precious life and she and you, Keri and Brian have truly shone us the "heart of God"! God Bless you all and our prayer to you all is that you will find the peace that surpasses all understanding!
