

## Stanley Lee Glenn

October 21, 1934 - June 7, 2017

Stanley Glenn left this earth June 7th. We rest in the comfort knowing he is with our Lord Jesus. Stan was 'everyman', a man of whom we might say 'He was a salt of the earth man; a practical, cheerful and content man. He loved the outdoors and especially fishing, but he was devoted to his family even more'. Stanley was born October 21, 1934 in Fort Morgan, Colorado, to Shores and Estella Glenn. He grew up in Fort Collins where he worked a variety of jobs including backcountry guide, tree surgeon and finally owner of his own business, A-1 Sanitation Service. He married Shirley Spight on September 19, 1953. They shared life together for 63 years. They were blessed with 3 children, 4 grandchildren and 7 great grandchildren. Stanley was preceded in death by his elder brother and sister, his son Thomas, and great grandson Justin. Survivors include his wife Shirley, his daughters Marcia and Susan, as well as 3 sisters, Stella, Ann, and Jean. Anyone who wishes to participate in Stanley's Celebration of Life is welcome to attend. The Celebration of Life will be held June 17, 2017 from 11am -3pm at the home of Dan and Becki Dreiling at 734 Victoria Drive, Fort Collins.

“ Dear Stanley Lee, those that are taken from us are never really gone, they are always on our minds and live on in our hearts! I was so blessed to have had you as my brother, thanks for all the wonderful memories, those times spent at the cabin are among my favorites! I will miss you in my life, you had a heart of gold and a spirit to match, I know the rivers run deep and wide beyond the stars, keep casting that fishing line as you have a lot of fishing left to do! Happy Trails Stan, till I see you again on the other side!  
I Love You Stan!  
Your Little Sister,

“ What wonderful memories we have of Stan, Shirley and their family. The many week-ends at Lake Number 2, waterskiing. Our fishing trip to Flaming Gorge, our time spent at Guernsey WY., watching Stan, Jerry and Richard trying to teach Susie to waterski. She finally accomplished the task, but not before Stanley threatened to quit trying, May we all rejoice in the beautiful memories Stan left with us and give thanks for the time we had to spend with him. Shirley, may God comfort you and your family as you each deal with the loss of your beloved Stanley. He truly was a great friend and we thank you for sharing him with us.
