“ Steve was a good friend and farrier. Enjoyed our discussions about “Jesus, and how he is the answer “ to our life. Also, will never forget the time Steve arrived to put shoes on my horse and he discovered a bullsnake hiding in the undercarriage of his truck. That was a longer than normal appointment.

“ We were saddened to hear of Steve's passing. Steve was our farrier for over 12 years and trimmed our horse. He was the best we knew at his job and gentle and kind. Most of all, he was just a really nice guy. We will miss his conversations he had with us and his terrific sense of humor! Our prayers to his wife and family. We will miss you Mr. Wilson!

“ *Sandy and I got to know Steve through our three paint horses. Paco, Rio, and Charro.. Steve shared his love for the Lord with us and how excited he was to know Jesus. He truly was a good man.. Thankful to get to know him through his ability to trim and shoe horses, and just how good a man he was to all he came in contact with. We know where you are Steve, and the strength you showed in fighting cancer. You set the bar high.. Our prayers are with Ramona and all of Steve's family and friends in the loss of Steve. God Bless... Jim and Sandy Robbins*
