“ Steven, Being your older sister I always wanted to protect you. You were my first brother, my first childhood friend. My early memories were of us playing at City park.Riding our bikes. We grew up to fast we moved on with life, Had our families. I'll forever miss you calling me "Sis". Our last conversations were sweet, and we had lots of love to share. I'll treasure that always! One thing I'll NEVER forget is when you, Donny, and I all asked Jesus to be our Savior later we got baptized together. So I stand on this scripture in Gods word: Ephesians 1:13,14 Steven I will forever miss you! Your laugh, and your voice. My heart aches, but I have a HOPE to see you in Heaven, where there is no tears, fears,or suffering, which you my sweet brother had plenty ofNow may you rest and be in Gods light, His love, joy, peace and be in the arms of our sweet Savior Jesus Christ. All My Love Your Big Sister Angela

“ Tina and boys, Please accept my deepest sympathy for the loss of Steve. Ed and I both thought alot of him. Steve was just in Jr. high school when we met him. Through the years he was always so friendly and pleasant whenever we seen him at Leo's or the store. I wish for brighter days for you and the boys. Take care of each other. We can only hope he is off fishing in that "Big Trout Lake" in the sky.

“ Tina & Family, Please accept my most heartfelt sympathy for your loss... It's the little things, the small, everyday occurrences that you'll remember about Steve. His laugh, His stories, his smiles. And even though it seems like you can never recover from your loss, it is these very memories of Steve that will help. My fond memories of Steve is when he would come over to the house and hang out with my brother, laughing and full of fun! My thoughts and prayers are with you and your family during this difficult time. I will also miss Steve- his stories, his laugh, his smile!

“ Our memories will always bring me joy, it's not everyday that we have moments that we once did. You were loved by all, you gave and gave and loved more. God has a script for us all and as we all know he takes the best of the best. I love you and my family loves you, James constantly wanted to visit with you, those are times I wish I could say I was there now. We love you Steve, and if your looking down I hope you heard what Isiah said right before The Lord called you Home, He told James, Tell Steve that I love him, and I'm gonna miss him Daddy....He's 5 and already knew and loved you. I'll never forget you and what you've done for me and my kids, when Isiah was born the money, and you and Tina came to see me in the hospital when Aliziah was born. Your always in my thoughts, and I got \$50 on the next paper view. I love you Mano....
