“ To Janie and family of my aunt Susan, I am heartbroken and devastated to have lost such a caring and great person. Eventhough during the last few years, we lost touch, I will never forget the years when we hung out and spent time together. I will never forget the times that we would play cards and eat fritos and rotel chile all hours of the night in the camper. The garage sales that we went to on the weekends and the many days we sat wondering where we were headed in life. She was the greatest listener and would turn a sad day sunny for anyone. I enjoyed living with you and Janie the time that I did. I love you Susan and you will be in my memories forever. Thank you for everything you did for me in my life. I will miss you. With Love, Valerie Moreno Martinez
