“ After Glow I?d like the memory of me to be a happy one. I?d like to leave an after glow of smiles when life is done, I?d like to leave an echo whispering softly down the ways, Of happy times and laughing times and bright and summer days. I?d like the tears of those who grieve, to dry before the sun, Of happy memories that I leave When life is done. ~Helen Lowrie Marshall Susie, You will be missed by all who knew you. “ My Dear Aunt Susie You were always like an Aunt to me even before you married Uncle Luther. I cherish our talks, times of prayer, and the love and laughter we shared. I will hold you close in my heart knowing that you are in heaven and all of those who loved you and joined the Lord before you passed were there waiting for you with open arms. I love you! Booper
