“ So very sorry for your loss. I was talking to Josh yesterday and he said that Taeler was always really sweet to him, and that she always happily gave Josh and Zak rides between Rocky and your house to hang out between school and wrestling practice, and always took the time to make Zak and him feel relevant. Liana said that she remembers talking to Taeler at wrestling matches and tournaments, and remembers how nice she always was to her. The world lost a sweet soul, and my heart goes out to your family. May you find God's comfort in this time. God bless you.
