“ *Tanner was a very good and dear friend of my grandson Matthew Dawson all through their school years. He and Matthew would come over to our house and hit golf balls in the back yard with Matt 's papa giving them tips. He was always a joy to have in our home with his bright smile and great sense of humor. My heart breaks for his family, I hope you all can find some solace in knowing that he was loved by all. He will be missed. My love and sympathy to your family, Kathy Mazone*

“ Dear Donna, Milan and Torrey, I send my deepest condolences to you all at this time. I remember you all so fondly and how active and happy your brother Tanner was at Superior Elem. He was one of the first kids out the door to do his lap as I think it meant he was finally free to move and chat with his friends in school. I am sorry for your loss. I send you all a warm and loving hug, Kathy Carty-Mullen

“ So sorry to hear of this. I remember him , very very young, in the halls of SES wearing outrageous outfits. We all knew he dressed himself and it made me laugh out loud. Hold on to your special memories.
