“ There are people who cross your path for only a short while, yet you go on to hold them in your heart forever. Terri... you were one of those. After 40 some years something prompted me to look you up, and I found this obituary. You were such a light in my world when I first arrived in Ft. Collins not knowing anyone. I remember you regularly coming to visit me in my art studio at CSU, and introducing me to avocados! I'll never forget the note you gave me with a little rhyme to read every hour for my long bus ride home to Louisiana. I probably still have that somewhere. And I know I have that photo of you in the craft room at Camp St. Malo tucked in my old Bible. I was sad for whatever misunderstandings led us to part ways but thankful for the little bit of time I got to call you friend. Grateful for your family that took me in and loved me. I still hang the little red bicycle ornament from your parents on my Christmas tree each year, and still use the colander your folks gave me as a wedding gift. You made an impact on the people around you, and I hope this is a testament to the amazing person you were.

“ I can remember how kind Terry was to help me when I was sick (again and again). She gave me hope that I would one day find recovery by helping me find the best ENT in town. Sean and Samantha also remember seeing her smiling face greet us at the doctor’s office.

Terry was a brave and strong facing her own health troubles, even in the scariest of times. I appreciated that about her. We shared that experience of facing the unknown and having faith it will work out.

Ed and Terry passed down Amanda’s piano to Samantha when she was 5 years old. Samantha plays Fur Elise now and continues to advance her piano playing skills. Every time Samantha plays the piano, Terry’s impact on others is heard.

Many blessings to the family in this difficult time of a transition. <3

“ 45 years ago, I had the pleasure of teaching and coaching Terry and the close group of friends she had at Boltz and FCHS. She was a wonderful person from a great family who brought joy to many people. God blessed us with her presence and now holds her close for eternity.

“ Terri was our neighbor for over 20 years. Right now in my mind, I can just hear her sweet laugh and she was always SO kind! We didn't share tons of time together but when we did it was always wonderful. She will be dearly missed. May you rest in peace sweet Terry

“ I remember Terry from Her dispatch days when I worked for FCPD, also was a neighbor to Donna and knew Norma and Dave. She was so sweet! Very sorry for your loss.

“ I've a lifetime of memories since the day Mom and Dad brought you home from the hospital in a snowstorm. You will live forever in my heart as such a loving, caring, fun little sister to an amazing woman and all our adventures in between! ❤️.
