“ I met Terry in 1991 while working at RBD Inc, Engineering Consultants. We immediately became friends and worked together within the engineering field for the next 30 years. Terry invited me and my two sons to join Boy Scout Troop 82 and that was the best thing we could have ever done. I did not participate in Boy Scouts as a youth, so this was my opportunity to relive my youth but in the role of an adult scout leader. What an excellent time we had in Troop 82 over the years, and what a great leader Terry was for those boys. Terry gave his all for those boys and he worked so hard to see that each boy was as successful as they wanted to be. The forever memories I have of Troop 82 with Terry include the following: Boy Scout Popcorn, Chili dinners, Dutch Oven cooking, Tip Top Ranch, Ben Delatour Scout Ranch, Air Force Academy, Pre-Klondike, Klondike at Gould, Camp Larimer Peak, Fort Robinson Nebraska, Juneau Alaska, and Order of the Arrow. One year we camped out so much in such cold weather that I and five boys received 227 frost points that year. One frost point is earned for each degree below 32 degrees that we slept out in a tent. Terry never let us have fires so we basically had to stay warm on our own which we all managed to do. Lo, even though Terry and I are apart for now, we will be together in Heaven forever and I can't wait to see him there.

“ I loved riding to Philmont with Terry. He had so much knowledge about so many things and all of this stories and history were so interesting. He was a great man and did wonderful things for so many, especially our youth! He will definitely be missed!

I enjoyed working with Terri on the camping & outdoor program committee when he recruited me to be the conservation chair since then Karl Kazuba major general Rasmussen and myself have served in that role following in his able footsteps. Terri did so much for Camps and programs, helping with surveying and helping with projects truly a great contributor and he will be missed! Karl Brown

MR

I met Terry through Boy Scouts while my son was growing up. Terry was always willing to share his wisdom with other leaders and was a great example to us and the boys he served. He will be missed by many.
