

## Theodore N. Mokry

January 31, 1935 - March 22, 2026

Born in Middletown Ohio on January 31, 1935, Theodore was the youngest of 4 children. He served in the U.S. MILITARY Navy during the Korean War. Construction was his career, taking him across the country with many different jobs and titles. He married the love of his life, Linda Stimpfl, whose life will also be celebrated at his service. She went home to her Lord and Savior January 24, 2021 during the lockdown. Together they made life an adventure and now will continue their journey in Heaven. A ceremony with full honors will be held at the Cheyenne National Cemetery in mid June. This website will be updated once arrangements are finalized. Golfing into the age of 91 years old, his smile, and his charm will certainly be his legacy.

Theodore's ministry in his last years was to spread the Good News of Jesus, handing strangers small Jesus figurines and saying "Everyone needs a little Jesus."

Ceremony with full Navy Honors will be held on Friday June 26th at 1:00pm  
Cheyenne National Cemetery Hildreth Road, Cheyenne WY 82009

A casual dinner gathering and celebration at 5:00pm at The Knauer Home  
2836 Michener Drive for those who attend or can not make it to the service in  
Cheyenne.

In lieu of flowers, please make a donation to Pathways Hospice in Fort Collins CO. This organization is the incredible hand we were able to hold through his swift passing with dignity and grace.

“ *Ted was my neighbor who lived down by my mailbox. I only really got to know Ted after his wife Linda passed away. She used to walk her dog Candy down my cul-de-sac and we would exchange greetings. After Linda passed, knowing Ted was a veteran like myself and my husband, we started to get to know him by just chatting in the front by the mailbox when we met. Our friendship quickly evolved, and Ted would have a stop over for a beer with him and my husband and he always had red wine for me. Ted shared his new love of Scripture with me whenever I visited, and we would have many discussions about the Bible and the word of God. Ted would ask me very deep questions of which I could not answer, but he was always searching and studying the Bible and the books of the apostles.*

*Ted loved his family very much and was very proud of his daughter and her husband and his two grandsons. He often shared their accomplishments and you just tell how proud he was of them. I know Ted is with his heavenly father now and reunited with his wife Linda. Well, this gives me great joy, I am sad as I will miss my visits and discussions with him very much.*

*As God would have it I got to Meet Ted Mokry in his 89th year .. a kind loving man . I'm 68 years old now, was adopted just after birth in Vancouver BC Canada and found out 2 years ago thru DNA that Ted was my birth father thru a woman before Linda. Ted did not know and that's alright by me. I'm saddened that we did not have more time with Ted yet I'm assured by faith we will meet again . Nicole is a special soul  
♥♥ love to Mokry & extended families.*
