

Thomas Eugene Weimer

February 23, 1944 - February 26, 2022

Thomas Eugene Weimer, 78- exited this world for Glory on February 26, 2022 leaving behind his only son Heath, daughter in law Susan, grandson Wynston and great-granddaughter Serenity.

Tom attended Fort Morgan High School and then went on to and graduated from Colorado State University. He was well known in both Fort Morgan and in Northern Colorado for the promotion of Dawn Weimer Studios. He supported Dawn in all aspects of her artwork and was her biggest fan! In his earlier days both he and Dawn were part of the rodeo circuit-he bull doggin and her barrel racing. He also trained horses and was a farrier for many years before starting Carpet Master. He professionally cleaned carpet for 16 years and then transitioned to Dawn Weimer Studios to help support his wife.

His love never waivered for his Lord and his family. He spent much of his time at LeMars donut shop talking to those he didn't know and those he did about sculpture and his favorite subject-JESUS! He also had long talks with his great grand daughter Serenity about the Lord, animals, roping and watching kitties in boxes. They shared a special bond that time cannot erase. He spent as much time as allowed with Wynston playing games and having fun.

Tom will be missed by all who knew him!

Visitation will be conducted March 10, 2022 from 5-7 pm at Bohlander Funeral Chapel in Fort Collins, CO. Interment will be at Resthaven Memory Gardens Cemetery.

“ We knew Tom and Dawn for over 35 years, beginning with carpet cleaning, Dawn making a pen and ink drawing of our mixed breed dog, then experiencing her sculpture magnificence and art world career. We proudly own and display a number of her pieces. Tom was always supporting and promoting Dawn's work , spoke of little else. He was the most loving and caring husband a wife could envision and cared for Dawn the last decade of her life. He worked hard his entire life, could be brusque at times, but had a good heart and had great faith in the Lord. He told me he was ready to join Dawn and I am confident they are together again. Godspeed Tom.

“ Every so often, someone comes along that stands out from the crowd. Tom was one. We became acquainted with Tom, then Dawn, by way of his work with Carpet Master. We were always impressed by his intensity to do a good job. His unapologetic commitment to his faith and sharing it were a hallmark of his character. That we were touched by his personal arrangements for and conducting of Dawn's funeral wasn't a surprise to us - that was just something that went along with a longstanding commitment as her husband and caregiver. We'll miss his enthusiasm and always energetic discussions on life. Our condolences and prayers for Heath and family.

“ I am so sorry to hear about Tom. We worked together when he had Carpet Master, and we purchased pieces of Dawn's work for our kids as well as contributed to the CSU Ram sculpture at Moby Gym....He always was honest, hard working and a very special man. My thoughts and prayers are with your family.
