“ *Tiffany was a childhood friend of mine. I lost contact with her the older we got. We were very close at the time. I always thought about her and wondered how she was doing and how to get a hold of her other than showing up at her parents house in LVLD. When I came across this obituary of Tiffany, I was so sad because I will never talk or hug her again. I have really good fond memories of Tiffany in our younger years. She was very special to me, always will be. RIP Tiff, I always thought about you.*

“ *I was Tiffany's teacher at the PSD Cooper Home where she learned life skills as an elective class towards her high school graduation. She lived with three other female peers. My husband and I lived with Tiffany in the Cooper Home for a semester. May she Rest In Peace and know that she was loved as a student at the Cooper Home. Rest In Peace my lady. “ To my beautiful niece Tiffany. Also known as Tiffers to me.

Tiffany had a beautiful soul and loved to be around family and friends. She had a contagious laugh and enjoyed the time she spent with her pets and family. She cared about the people around her and shared her love with them. She will be truly missed by her family and her many Aunts, Uncles, and cousins.

Tiffers, you are now with your Grandmas, Grandpas, your sons and many other family members and friends

Rest in Peace my sweet Tiffers and I will miss you and love you forever.

My sweet and joyful cousin -

I'm so thankful that my childhood existed with you as a big part of it, Tiffany. Your brother and sister; Aunt Connie and Uncle Richard.... Family who you have real loving fun with over years and years is an unmistakable bond, and your cousins are the first friends. We grew up engrossed in it, and I'm so grateful of that.

Yes, I'm heartbroken that we're laying you to rest in this Earthly world, but I know you are looking upon us now with the other dear family. Home now with your children and reunited with our Grandma Lucy, and so many aunts and uncles and cousins too. I have no doubt that you are smiling - as you always did - with so much love around you. It's sad because missing you hurts my heart, but I'm smiling through tears all the same, because my good memories of you and our good Lord are undefeated. I'm truly blessed to have known you and made those memories.

We'll see each other again some day but for now, thank you for being an incredible cousin, loving us all so purely, and for ALWAYS letting the world see your joyfulness. Rest easy Tiffany.
