

Timothy Jay Morgan

March 1, 2014 - October 18, 2014

Timothy Jay Morgan On October 18, 2014 an angel that had spent 43 years here on earth was called home. Tim was born a quadriplegic on March 1, 1971. That disability never stopped him from trying anything. In 1983 Tim was honored to be chosen the March of Dimes Poster child. Even though he couldn't play the sport, his first love was football, the San Francisco 49ers being his favorite team since childhood. Unable to walk and with little feeling in his hands, he learned to do beautiful woodwork. He made candle holders, ornaments, wall hangings and anything anyone requested.

He graduated from Rocky Mountain High School in 1990; he then took classes at Front Range. Tim's favorite places to meet friends were the Steakout Saloon and Luscious Nectar. He loved playing pool. Tim was an inspiration to so many. He never complained about his disability. Tim was always happy and always smiling. He had a good ear for listening to others problems and even giving heartfelt advice. He will be missed by friends and family but especially his sister, Tammy Morgan; his nephew, Jarrid Little Vinney; and his proud parents, Ronald and Barbara Morgan. There will be a Celebration of Tim's Life at the family cabin in Red Feather Lakes, 317 County Rd 86 on Sunday, October 26, 2014 at 1:00 p.m. Feel free to wear football t-shirts and jerseys. Tim would love it!

“ *Dear Barb and Family, I imagine there is no pain more far-reaching and deeper than losing your beloved Tim. I am so happy we became friends on Facebook, so that I could get to know Tim through your sharing of his life. My heart and prayers go out to you at this most difficult time. With my deepest sympathy, Debbie Ahlbrandt*
