“ Tim will be remembered for his love of life. He accomplished a lot in his short years on this earth. He married my sister Dana and made her very happy. He was her best friend and they happily worked together in business. I got the pleasure of having a few meals with them and enjoyed talking with him on a variety of subjects. He will be missed greatly.

“ I'm so shocked and sorry to learn of Tim's passing. I'll always remember him as an energetic four-year-old tagging along whenever I tried to get some "alone time" with his older sister whom I was courting, and later as a vibrant eight-year-old when he became my much younger (former) brother-in-law. Rest in peace, Tim, until our Risen Savior beckons you home.
