“ Todd was always the most truly loyal of friends. I can honestly say, I've never had friend who put his loyalty on the line like Todd. We had such a blast in high school driving his car all over this state, getting a campfire and a group of friends going whenever possible, and chasing girls. Todd made high school FUN! I'm grateful for those memories and I have a heavy debt of gratitude.... Wish I had the chance to say goodbye....

“ Todd was a good person and great friend , despite his shortcomings and despite any circumstance in his final days. He had a heart that loved deeply and I can say in the time I knew him he was an unforgettable personality with a smile that will be missed. He was my friend and a friend to many. I know in the end whomever he loved were with him. I hope he is at peace and that we see each other again. I'll be seeing you soon. Until then my dear, don't worry you have done more than enough for anyone, you are free now. Walk on....

“ Our deepest sympathy. Todd and my son Brian were good buddies in elementary school. In later years, Todd came up to introduce himself to me. I was so pleased he did as I did not recognize him as a young man. May he rest in peace. John and Nancy Tessari and family
