“ *My Grandpa was a wonderful man. I have so many great memories that will live on in my heart forever... He loved his great grandchildren and loved his cowboy my baby Christophermy Grandpa loved listening to his Mexican Music and watching Christopher dance as Christopher loved to dance for him. I will always remember when my Grandpa would come over on the weekends and we would have coffee and listen to his stories, they were always funny! My Grandpa loved spending time with my Husband and they would run around all day on Saturday if possible. I can go on and on about all the great memories my family had with him... Grandpa we love you & we will miss you dearly.*
