“ *My Dad was an awesome man and he was absolutely hilarious. I truly appreciate his presence and inspiration in my life and I wouldn't have it any other way. His lessons and genetics have carried me through life and countless challenges. I am very grateful to be his son.*

I will reflect on you often.

Until we meet again, I love you Dad. Thank you and God bless

“ *Tracy was a great guy. We spent a few days together. He made me laugh and was very helpful to me and others. You could tell he cared about people. Not a selfish bone in his body. We're all going to miss you brother! My condolences to Stacy and family. RIP and god bless.*
