

## Truman Harsha, Jr.

April 9, 2010 - April 8, 2010

Truman Harsha Jr. was born in Muskogee, Oklahoma on October 15, 1921. He went home to be with the Lord on April 8, 2010. Truman graduated from Muskogee Central High School in 1939. He received a degree in Aeronautical Engineering from Curtiss-Wright Technical Institute in Glendale, California in 1941. He later earned a BS Degree in Civil Engineering from Oklahoma State University in 1949 after returning from service. Truman served his country as an officer in US Army Field Artillery from 1943 to 1946 in the Pacific theater during World War II. After graduating from college he worked as a highway engineer for a few years before entering the furniture business in Oklahoma. He spent most of his life in the furniture business in both Oklahoma and Colorado. He finished his work life as a real estate broker in Loveland in 1986. Truman met the love of his life, Betty Jane DeHanas, in Miami, Oklahoma in 1939. They were married on June 7, 1943. He and Betty had five children: John Harsha who died at birth, Doug Harsha, Cathy Agee, Jim Harsha, and Truman Harsha, III. Over the years their family has grown to include eight grandchildren and four great grandchildren. The most significant event in Truman's life occurred when he was a young man. He received Jesus Christ into his life as his personal savior. That event gives his family great comfort today in that we know he is now in the loving arms of the God he loved and served all his life. A Funeral Service will be held on Tuesday, 1:00 p.m. at the First Baptist Church, 900 East Prospect. Interment will follow at Resthaven Memory Gardens Cemetery.

“ Betty and family ... When I opened an email from my sister, Gloria, and saw that she had sent me Truman's Obituary, it took my breath away and I was so sad to hear of his passing. Though our families have not been in contact over these many years, the influence and care of your family will never be forgotten by me. I have such fond memories of being in your home and getting to be a part of your family growing up. I never realized that you and Truman were from Oklahoma and that is where I now live! Making a difference and having an impact on those who cross your path is truly an awesome experience. We are all better for having known Truman and his wonderful family. May the wonderful memories you have bring you much comfort over the next weeks, months ... I know they will help you to smile and laugh as you remember. Truman will not be forgotten ... Take care.
