“ Gene, I am sad to here of Ursula’s passing. I enjoyed being around Ursula because she was always friendly & happy. We shared the love of team roping and I was so proud that I was able to bring more happiness to her by helping her win her 1st buckle @ Blake Nelson’s Arena.
My thoughts & prayers are with you at this difficult time. God Bless you & your family.

“ Ursula was a ray of sunshine. Her warmth and friendship carried me through a difficult time in my life. My mother was going through her second bout of cancer...and Ursula was a shoulder to cry on, a warm hug...a true friend. I will never forget her strength, her hard working character, her feisty spirit and her sincere love for the people around her. She will be greatly missed by those of us whose lives she touched.
