“ I was so sorry to learn of cousin Verlyn's passing. I didn't know him well as I have lived in CA for many years but did get to visit with him at a Gebhard family reunion in Long Island a few years ago. My parents had always spoken so highly of him. It is sad to lose another cousin. My sincere sympathy to his family.

“ I will miss dear Verlyn, as I know all of you will. He was a dear friend and neighbor in Oakridge, always lending a helping hand, offers to fix things, or just a friendly greeting. The past several years I have had the privilege of taking Verlyn to dinner about once a month. He always had kind words for his family and others and was one of the most sincere and genuine individuals that I've known in my lifetime. Again, Verlyn will be sorely missed and I pray for the family's comfort and peace in the coming months and years. Warmly,
Gretchen Wheeler

“ Verlyn and Dorothy were our neighbors in Oakridge. I truly thought you'd outlive all of us, Verlyn! We both had gardens on either side of a common fence. Verlyn taught me so much about maintaining a garden, including controlling hornworms so they wouldn't go to his tomatoes! I also recall him accidentally slipping into his window well one day all alone and he BUILT his way out by using a hammer to catch on to wood just outside the window well and making himself a ladder. There was nothing he couldn't do or fix. We will miss you, friend. Rick and Julie Schleusener and family

“ My thoughts and prayers are with you during this difficult time. I have many fond memories of Uncle Verlyn. One of my most favorite times was when Uncle Verlyn and Aunt Dorothy came to California and I spent many days with them going to Disneyland and San Diego.

“ I remember sitting in the black recliner that was Grandpa Verlyn's. It was "broken in" well enough for me to kick back as a little tike.
