“ *Condolences to the Bueno family and friends. I remember before I met Victor, I could hear his laugh down the Halls of Lincoln. It used to make me smile because it was so infectious. After I got to know him, he would always say hi with a smile. You will be missed Victor, some people have that little something that sets them apart from others. Some good some bad, with Victor it was always a good thing. Sorry I didn't get a chance to see you and say goodbye.*

“ Brother, I will forever miss our phone calls, laughing at all the crazy things that happen in everyday life. I will never be able to get angry at the many messages left in an hours time that said, Len, this is Victor, give me a call, over and over and over again. How I wish I could hear your voice again. I will mostly miss your laughter and beautiful singing voice from a more youthful and healthier time of your life. I am glad you are now walking in glory. Hug and kiss Mom, Dad, Frankie, and my son. We will see you all again someday. With all the love I have, your baby sister, Lena
